

CERTIFICATE

Luja Betong AB's manufacturing site

Vallentuna

has been assigned a certificate number

06115

and hereby certifies that the facility below meets the requirements according to Vattenfall Services Nordic AB Certification's scheme requirements, *CI-7 Regler för certifiering av fabriksbetong* and thus

EN 206:2013+A2:2021 **Concrete – Specification, performance, production and conformity**

SS 137003:2021 **Concrete - Application of EN 206:2013+A2:2021 in Sweden**

Manufacturer

Luja Betong AB

Sjöflygvägen 35 E
183 62 Täby

and produced at the manufacturing site

Vallentuna

Högdalavägen 5
186 40 Vallentuna

This certificate was first issued 2007-10-04 and will remain valid as long as neither the current standard nor the manufacturing conditions in the facility change significantly, unless it is revoked or withdrawn by the factory production control certification body.

The certification means that the delivery note must be marked with Vattenfall Services Nordic AB's certification mark.
